**McKee**

## A Gigantic Plan.

Richmond Capitalists to Harness Dix River for Power Purposes.

A movement has been put on foot by local people to build an immense dam across Dix river, at a point near the Dix River Roller Mills and furnish the motor power sufficient to operate the electric plants and other enterprises of many surrounding towns. It is the intention to construct an immense dam in the river below the bridge near Camp Dick Robinson. The base of the bridge will be 186 feet 150 feet high and 500 feet long. The estimated cost of the enormous undertaking will be \$1,600,000 and it will require one year to complete it. Several members of the Electric Power Co., have been on the scene recently getting options on adjacent property and making the preliminary arrangements looking to the beginning of work proper on the dam. In a few days several engineers will be on the ground to make surveys, draw up plans and specifications and get things in shape to begin work, which will shortly begin. It is said the dam will furnish between 6,000 and 7,000 horse power, which will be sufficient for any demand that might be made on it. The fall in the river between the bridge and the point at which the dam is to be constructed is 200 feet, which will have the effect of making the power of still greater efficacy. Hydraulic engineers will make practical investigation of the situation, and when this is completed it is in a certainty that the work will be started. The proposition is quite a good one and the members of the company are to be congratulated upon their progressiveness and enterprise.

## Eczema Readily Cured By a Simple Home Treatment.

A simple clean remedy that can be used in the home is what every person desires who is suffering from eczema. You can now have that remedy and get instant relief, and be cured permanently by Zemo, a clean vegetable liquid for external use. ZEMO cures skin diseases by drawing the germs and their poisons, that cause the disease, to the surface of the skin and destroying them. It is a skin cleanser and healer. Parry & Thomas, druggists, will give you a booklet and will explain to you how a great many cases of eczema and other forms of skin disease have been cured by this simple home treatment. d13-1f

FOR RENT for the year 1910 the large Store Room No. 218 Main St., now occupied by J. S. Stanifer, this has proven to be the best business location in the city. C. L. H. Taylor, Room No. 4, Jno. G. Taylor bldg., d13-1f Telephone 292

PRICE \$1.00 PER YEAR  
IN ADVANCE

WEDNESDAY, DEC. 15 - 1909

In this issue of The Climax appears the announcement of Hon. Harvey Helm for re-election to Congress from this district. Mr. Helm is now serving his second term. Since his election Mr. Helm has worked faithfully to serve his constituents, and has put forth his best efforts in their behalf and interests of the Democratic party. An interview, published in the Courier-Journal, is as follows:—"Representative Helm, of the Eighth Kentucky District, made the following statement: 'I shall certainly be a candidate to succeed myself in Congress. There is no precedent in the Eighth Kentucky District for two-term Congressmen and such a precedent should not be established. My predecessor represented the district for eight years and as predecessor for twelve, and the last term of each were those that were most useful to their constituents. I have never made the statement that I would not be a candidate for the third term. Several of the district congressional committees in Kentucky have already met and fixed the time and manner of nominating Congressmen. I considered it advisable to do the same in the Eighth district to avoid complication with the races for state offices that are already beginning to attract attention.'
